

Business Licensing Amnesty Program

January 1 – February 29, 2016

The Business Licensing Amnesty Program provides a clean slate for District business owners to come into compliance with DCRA's requirements for obtaining a business license, corporate registration, or weights and measure device registration.

It's simple. File for a business license, corporate registration, or weights and measure device registration online, by mail, or in person, and DCRA will waive the fines or penalties accrued (excluding Notices of Infraction).

Any business is eligible to participate in the Business Licensing Amnesty Program if operating with an expired Basic Business License, without a Basic Business License, with Corporate Registration in revoked status, or without the registration of commercial weights and scales, UPC scanners, and weighing/measuring devices.

To help accommodate everyone's schedule DCRA will stay open later on Thursdays from 4:30-6:30 pm for the duration of this program. For further information, please direct questions to amnesty.dcra@dc.gov.
